CHAS. P. HARTWELL

South Royalton, Vermont.

"About three years age I began to suffer with Indigestion. Food soured in my stomach, causing me to beich : and I had terrible heart burn, with pains in my chest and arms. My heart became affected; I had shortness of breath; the action of my kidneys was irregular, the secretions

scenty and scalding.

I was knocked out, and good for nothing, when I read about 'Fruita-tives' and sent for a box. I tised a few and thought, 'well, they will turn out like all the other remedies I have tried' but to my surprise and pladness, I noticed improvement and I continued the use of 'Fruit-a-tives', for Fruit Liver Tablets) with the result that a dozen boxes made ma feel like a different person".
